The Chief Engineer, Irri. may be consulted
This is a work obviously out of
the Budget programme. At the meeting
held last month, it was decided
that for the present, no additional
allotments for tank restoration,
whether major or minor were necessary. It has however been decided
that the Engineering Dept should
have a programme of works
ready so that if the distress
deepens, the works may be put
on hand at once. This work
may also be included in
that programme.

The RE will be informed
accordingly

Letter No. R.O.C. 1469/23-24 dated 31st December 1923 from the Deputy Commissioner, Kolar District to the Revenue Commissioner in Mysore.

I have the honor to forward herewith the project papers regarding the restoration of Bommasandra Doddakere, Goribidnur Taluk, received with the Executive Engineer's letter No.242 dated 28-11-23 (copy of which is enclosed for information). As will be seen from the Executive Engineer's letter this project was ordered by the Chief Engineer to be held in abeyance until funds could be made available therefor.

As this work is proposed to be started to afford relief to the distressed in Goribidnur Taluk, I request that immediate sanctic of Government thereto may kindly be obtained and arrangements made to provide funds.

The estimate has been countersigned for Rs.5270. The Sub Division Officer has been asked to investigate the question of ryots contribution and obtain a mutchalika from them for the payment of the amount that may be promised by them in instalments and agreeing to the recovery thereof as revenue demand.
